

## PRIMARY SCHOOL STUDENT APPLICATION ENQUIRY

Thank you for your expression of interest in Quinns Baptist College.

Quinns Baptist College is an independent, co-educational college from Pre-Kindergarten to Year 12 and is governed by a Board. It was first established in 1996 and strives to provide the far northern suburbs with a high standard of affordable, private education within a Christian ethos. Affiliation with a church is not a pre-requisite for entry; however, students and parents must accept that teachers have the right to interpret knowledge from a Christian perspective.

Please find enclosed a Registration of Interest form, which you will need to complete and return to the address below, with the registration fee, if you wish your child to be registered on a preliminary list.

Once students finish Year 6, they progress to the High School, situated on the same site. The High School caters for Years 7 through to Year 12. All Quinns Baptist Primary School students are automatically offered a place in the High School and are not required to pay an additional registration or confirmation fee.

The following particulars may be helpful:
