

Dear Parents/Guardians

### **HIGH SCHOOL STUDENT APPLICATION ENQUIRY**

Thank you for your expression of interest in Quinns Baptist College. The College is an independent, co-educational college from Pre-Kindy to Year 12, governed by a Board consisting of representatives from Quinns Baptist College Association. Affiliation with a church is not a pre-requisite for entry; however, it is a requirement that students and parents accept that teachers have the right to interpret and present knowledge from a Christian perspective.

Please find enclosed a Registration of Interest form, which needs to be completed and returned if you would like your child/children to be registered on a preliminary list. Please note that existing Quinns Baptist Primary School students are automatically offered places in the High School and are not required to pay an additional registration fee or confirmation fee.

It is hard to put a dollar value on all that goes into educating a child; however, Quinns Baptist College adheres to a philosophy wherein all possible costs incurred by the College in educating our students are incorporated into the set fees. We endeavour to uphold our philosophy so that parents are well-informed and may budget accordingly.

Whilst not all children choose to utilise the opportunities provided at the College, they can still benefit from the positive ethos of their learning environment. QBC's caring and dedicated staff and effective student management system underpin a safe, nurturing and balanced environment that encourages students to develop academically, physically and spiritually.

Enrolment costs include a registration fee of **\$100** per family, which is non-refundable and must accompany the registration form. The confirmation fee, which is a non-refundable **\$400** deposit per enrolment, is deducted from the annual fees. Confirmation of enrolment is also dependent on prospective parents and students attending an interview with the Secondary Principal.

### **FEES 2018**

The annual tuition fee for secondary students is **\$2,800.00** per student. Please note there is no sibling discount for families and the compulsory Year 9 and Year 11 camps incur an additional fee of approximately \$400. Other costs associated with uniforms and text books should also be expected.
