Dear Parents, Students, Staff and Friends of the College

It is hard to believe that we are half way through the term already. We have enjoyed some exciting events this term. Well done to everyone who participated in our Marathon Challenge and Cross Country. An extra big thank you to our parents for their help and support with the sausage sizzle and coming along to support your child. Thank you to Mr Stolp for organising this event. At this stage the money raised from this will be used to add some more interactive and interesting flower beds around the school. So keep your eyes open and we will keep you posted on their development.

Mrs van de Leur had a very busy week in the Library last week with our “Monster Book Fair.” Thank you Mrs van de Leur for organising this and also to our Librarians and parent helpers for their support and help in running this event. The Extension Group were busy fund raising for World Vision with the “Photo Booth” and “Guess the Eyes” during the Book Fair.

It is wonderful we come from many diverse backgrounds and have the ability to speak in many different languages – some of us speak French, German, Afrikaans, others Chinese and still others Indian – the list could go on! However as we are an English speaking College could you please as a courtesy to those around you only speak English whilst on the College grounds. Thank you for your consideration of others in this matter - it is very much appreciated.

Building Bridges

Once upon a time, two brothers who lived on adjoining farms fell into conflict. It began with a small misunderstanding and it grew into a major difference, and finally it exploded into an exchange of bitter words followed by weeks of silence.

One morning there was a knock on John’s door. He opened it to find a man with a carpenter’s toolbox. ”I’m looking for a few days work,” he said. ”Do you have any odd jobs I could help you with?” ”Yes,” said the older brother. ”I do have a job for you. Look across the creek at that farm. Last week there was a meadow between us and he took his bulldozer to the river levee and now there is a creek between us. Well, he may have done this to spite me, but I’ll do one better. I want you to build a fence - a 3 metre fence - so I won’t need to see his place anymore.”

The carpenter said, ”I think I understand the situation. Show me the nails and the post hole digger and I’ll be able to do a job that pleases you.” The carpenter worked hard all that day measuring, sawing, and nailing. About sunset he had finished the job. The farmer returned and his eyes opened wide, his jaw dropped. There was no fence there at all. It was a bridge - a bridge stretching from one side of the creek to the other! The neighbour, his younger brother, was coming across, his hand outstretched. ”You are quite a fellow to build this bridge after all I’ve said and done.” The two brothers stood at each end of the bridge, and then they met in the middle, taking each other’s hand.

They turned to see the carpenter hoist his toolbox on his shoulder. ”No, wait! Stay a few days. I’ve a lot of other projects for you,” said the older brother. ”I’d love to stay on,” the carpenter said,” but I have many more bridges to build.”

Every day we have the choice of building fences or bridges. One leads to isolation and the other to openness.

”Therefore let us pursue the things which make for peace and the things by which one may edify another” (Romans 14:19).

Lost Property

As you can see our lost property is bursting at the seams.

Please come check it out. We also have keys, glasses, phone cables, watches and lots more.

Everything will go in the bin at the end of term.

Traffic Congestion

We understand that traffic flow around the Colleges, particularly in the afternoons, is often congested and a cause of frustration. We ask everyone to please be considerate of each other and obey traffic rules and signs.

Please ......

- Remember SAFETY FIRST! Be mindful of students walking infront of and behind cars.
- If you are able and live locally maybe walk, ride or scoot to / from school.
- Park a distance and walk to meet your child.
- Do not park / wait in the ‘Kiss n Ride’ section.
- Extend courtesy to staff members and parents assisting in managing the traffic flow.
- Please listen to the Traffic Warden and take instruction from him.
CONGRATULATIONS to the recipients of a PRINCIPAL’S AWARD handed out at our last assembly

Cross Country

Last Wednesday the Pre Primary to Year 6 students participated in the annual Cross Country Championships. The weather was very kind but still cold enough with some small rainfalls to remind us all that it was a Winter Carnival.

The Opening Ceremonies for both sessions proved to be a success. It was great to see and hear the students join in the chants and cheering on their fellow competitors.

I believe that this helped in creating a great carnival atmosphere and a suitable celebration of the achievements of the students participating in the Marathon Challenge and School Fun Run Fundraiser.

A huge thank you to all the parent volunteers on the day and to Coles Alexandra Heights for their kind donation towards the Sausage Sizzle.

After compiling all the results, Aylward proved to be winning House Faction (insert final points)

Congratulations to those who obtained a place in their age group and to those who have been selected to represent the school at the upcoming Interschool Cross Country Carnivals at Mawson Park and Gumblossom!

QBC Cross Country Team on next page.

Remember that Cross Country Team Training starts 31st May on a Tuesday and Thursday afternoon.

Adidas School Fun Run / Marathon Challenge

The students managed to complete 3,106km during the Lunch-Time Laps! What a great achievement!!

As at the end of Wednesday 2nd June, the current total sponsorship amount was at $21,195.89!!!!

Thank you to all that were involved and for your support.

We are currently reconciling the cash and online donations and placing the Incentive Prize Orders.

*Please note, that you did not have to be registered online to be eligible for an Incentive Prize. However, whether you are registered online or not, all students need to return their completed sponsorship form and their requested prize. To be eligible for a prize, students must have raised more then $10. It would be appreciated if ALL Sponsorship Forms and monies are handed in as soon as possible to Student Services. Once ordered, the Prizes should arrive within 3 weeks. We will keep you posted.*

A Big Thank you to all who supported our ‘Monster’ Book Fair making it a great success!

Our thanks to:
- All parents and student librarians who volunteered their help at the family events, and to Staff, especially Mrs Pettie, Mrs Broomhall and Mrs Niman for the giving of your time.
- All students, parents and staff who attended and supported the afternoon events. It was encouraging to hear everyone so excited about reading!

Finally, a BIG THANK YOU for the generous donation of books made to the class libraries by parents during the fair. This is truly appreciated by all the students who will enjoy reading these new books!

World Vision Fund Raiser

The year 6 Extension class wish to thank all who supported their photo opportunity and entered the guessing competition helping them raise $111.00 for World Vision.

Congratulations to Jaimee Yates from year 5.2 who came closest to estimating the correct number in the Guess How Many Eyeballs Competition. She enjoyed spending her $20 book prize voucher at the Book Fair and also won some fun stationery. Well done Jaimee!

Read More in May Reading Competition!

Well done to every student who took on the challenge to Read More in May. Remember go online from June 1 - 15 to www.scholastic.com.au/nfrm and enter the competition with your final tally of your Reading log minutes for a chance to win great prizes.

CoderDojo

Year 5 and 6 have been learning all about coding with Mrs Aldum from the high school each Tuesday afternoon in our very own Coder Dojo. They've been expanding on the ideas and concepts learned in Year 5 with Mr Robinson during Technology with the use of Scratch. By the end of term students aim to have created a variety of different games using multiple levels of code for various actions. Some students are even creating and designing their own characters. Watch this space and see what we've managed to achieve in the final assembly of this term. Well done Coding Ninjas!

Dear Parents and Guardians,

I would like to take this opportunity to announce that from June, Kidz Biz Sport and Recreation will be known as Atlantis After School. Kidz Biz has been a locally owned family business for over 20 years and has always had an excellent reputation for providing high quality childcare and after school care for the local community. As the founder and Director of Kidz Biz, I would like to reassure families that the level of service you have enjoyed over the years will not change, as the ownership, staff, policies and procedures will all remain the same. Atlantis will uphold the Kidz Biz values of providing the highest quality of care for your children while also providing a safe and fun environment for the children to grow and learn in.

With the change of name we would like to welcome you to the Atlantis family. As part of the Atlantis Family you are entitled to free membership to our Atlantis Play Centre in Ocean Keys which entitles your child to half price entry whenever you wish!

This is an exciting time as we move forward with Atlantis After School and we look forward to continuing to serve our community with the highest levels of care.

Yours sincerely,

Bob Hindle
Director
School Lunches

When packing lunches for school, please be aware that we are endeavouring to be an **allergy aware school**. We have a number of students at risk of an anaphylactic reaction should they come into contact with nuts.

Please assist us in minimising this risk by not packing any nut products (peanut butter, Nutella or any food containing any nuts) in school lunches.

**Arriving Late or Leaving Early**

Students are **expected to be punctual** when arriving at school. Parents are reminded to come to the Student Office to sign a **Late Note or Early Discharge Slip** before dropping off or collecting your child from school in the event of arriving late or leaving early for any reason.

If a student is late for class because of a uniform fitting, please still come to the office for a **Late Note**.

**DUTY OF CARE**

Our duty of care obligations require us to take reasonable care for the safety and wellbeing of your children while at school. It is therefore important to note that

- **class rooms only open at 8.15am**, at which point teachers will be on active duty. Consequently, **there will not be any teacher supervision until 8.15am**.

- Likewise, please ensure that your children are collected promptly from school at 2.45pm when classrooms are again closed for the day.

- All playground equipment is out-of-bounds before school. Students playing on the oval or playground equipment after school must be actively supervised by their parents and do so at their own risk.

- When visiting the school during school hours please report to reception or when dropping off items for your children, please leave these with the ladies in the office. We cannot stress enough how important it is for your children's safety that we know who is on the school premises at all times.

- Students may not leave the school grounds before, during or after school to go to the shops or McDonalds, etc. and then return to the school. This is regarded as serious breach of safety and infringements or send-outs will be issued!

Thank you for your cooperation in maintaining a safe school community.

**STUDENTS on MEDICATION**

If you need us to administer any medication to your child while at school, please complete and sign a **Medication Form**, available from Student Services.

**Confidentiality**

Just a reminder that all photos of children or any information that may identify a child or their family or the College, may not be used on any social media sites, or used for any purpose without the specific written consent of the parent / guardian and the College.
**OPENING HOURS**

**TUESDAYS**
8.00am - 12.00pm  
(All Students & Parents)  
12.00pm - 12.30pm  
(High School Students only)  
1.30pm - 3.30pm  
(All Students & Parents)

**THURSDAYS**
8.00am - 12.00pm  
(All Students & Parents)

---

**2nd Hand Uniforms**

We are delighted to inform you that we now offer a more convenient and efficient way to buy and sell second-hand uniforms through the Sustainable School Shop.

The service also provides access to second-hand textbooks, calculators, stationery, musical equipment, etc. all year round. Parents can even trade with other parents from different schools.

Register on the Sustainable School Shop website @ www.sustainableschoolshop.com.au.

All enquiries should be directed to the Sustainable School Shop on 1300 683 337. Help is also available.

---

**PARENTS**

Please avoid washing any Teal/Petrol items (sports shorts, polos, pinafores/skirts, track tops and bottoms) in a **hot wash** as this will **discolour** the fabric.

All these and most of the uniforms should be washed in a cold wash. Please do not bleach your garment especially the logo. If any white garments need to be soaked NapiSan/Sard (although these do have a bleaching agent) are your preferred preferences (but not advised by the manufacturer) but try to avoid the logo being submerged and **please always follow manufacturing care instructions!**
We ask, for safety reasons, that students not use the grounds of other schools as a shortcut or thoroughfare when walking to and from school.

Thank you for your patience in using our car park.

The large number of students at the three colleges and the lack of available parking spaces has unfortunately resulted in severely restricted traffic flow at peak times. Please assist us by:

- Following the one-way arrows (see above).
- Not parking on the footpath.
- Not driving over the footpath. (Parking on or driving over footpaths is illegal and you may be fined. It also exacerbates the traffic problems and increases the risks to pedestrians.
- Not using Peter Moyes Anglican Community School’s car park.
- Please be courteous to other drivers.

We encourage everyone, where possible, to play their part in improving traffic flow around the schools.
PRIVATE MUSIC LESSONS FOR PRIMARY STUDENTS

We’re excited to announce that we have some new instrumental tutors and can offer lessons to primary school students on DRUMS, BASS GUITAR, GUITAR, PIANO, and VOCALS during school hours. For some the cost of one-to-one music tuition is prohibitive, and as a result, in addition to the one-to-one lessons we are also offering lessons in pairs.

Parent-Child Connection

Raising children should be one of life’s greatest experiences, but as any parent knows, it is not an easy task. People with children under ten are invited to this four-week course to learn new skills, feel better about their parenting and gain confidence.

Topics include:
- Developmental stages of children and temperamental traits
- Different parenting styles
- Need for boundaries and rules, the giving of instructions and the consequences, both negative and positive, of withdrawing attention
- Understanding behaviour patterns and communication
- Need for positive self-esteem and resilience
- Environmental influences
- Discipline that works.

Fee: $50 per person / $75 per couple
Places are limited so please phone 6164 0200 to enrol

Monday 30 May 13, 20 & 27 June 2016 Time: 6.30-9pm

The ‘Rock and Water’ Program

Physical exercises are constantly linked with mental and social skills. The Rock and Water program leads from simple self-defence, boundary and communication exercises to a strong notion of self-confidence. The program offers a framework of exercises and ideas to assist boys and girls aged between 8 and 14 years to become aware of the purpose and motivation in their life. Topics include: intuition, body language, mental strength, empathic feeling, positive feeling, positive thinking and positive visualising.

The following topics are discussed:
- Bullying
- Life goals
- Developing a positive self-image
- Communication skills
- Personal boundaries and following an inner compass

The course teaches the following:
- Practical Anti-Bullying strategies
- Self-confidence, self-awareness and self-control
- An introduction to basic self-defence skills
- Communication skills and interpretation of body language cues
- Alternatives to aggressive verbal and physical responses to fear and doubt
- Thinking and being in control, through grounding, centeredness and mental focus
- Boundary awareness

Facilitated by Craig Van Waardenburg (credited Rock and Water trainer) this family activity-based program builds on the complementary strengths of ‘the rock’ and ‘the water’. One is firm and assertive, while the other is flexible and willing to cooperate.

Note: due to the nature of the activities, there is only room for one child per attending adult.

Parent-Teen Connection
We have all come through adolescence – do we remember? It has always been a challenging, sometimes frustrating period of life’s journey. Thankfully, today’s parents are usually more inclined to listen. Living with teenagers can be confusing and even worrying, but also rewarding. This course reduces stress and teaches parents to communicate, negotiate and minimise conflict.

This workshop will discuss:
- behaviours and tasks of adolescence
- developing a helpful perspective on adolescence
- communication adolescents understand
- handling conflict
- how to minimise discipline

Parenting after Separation
It’s important for fathers to distinguish between their parenting role and the relationship break-up.
This seminar, held in a male-only environment, suggests ways in which fathers can keep in touch with children, even if hindered by formal access arrangements.

This seminar looks at:
- developing age-appropriate communication skills
- particular skills with child/children to cope with different space and time
- developing and communicating a functional and distinctly parent-focussed relationship with the mother of their child/children
- enhancing your own health and well-being

Understanding Stepfamily Relationships
Stepfamilies and blended families operate in a different way to intact biological families. The dynamics of a stepfamily are more complex and there is a need for special understanding and management from both biological and stepparents working together for a healthy stepfamily growth to happen.

In this workshop you will challenge some myths about stepfamilies:
- find out what has proven to be helpful and unhelpful
- learn how to grow a strong and loving couple relationship
- learn how to manage discipline and understand the needs of the children
- have an opportunity to address particular issues within the group
