Dear Parents, Students, Staff and Friends of the College

The holidays are upon us after a very busy term. We have had exciting incursions and excursions, we have trained hard for Cross Country, we have learnt new dance steps and new concepts in the classroom and now we can relax and enjoy our holidays. What better way to relax and enjoy the break than with a book. We have our Winter Reading Challenge these holidays and this year we are extending it into an Olympic Reading Challenge. See the Library section of our newsletter for more details.

Our Dance Sport Social was a great success and the hot dogs, chips, drinks and soup were delicious. Some of the proceeds from that, $400, will go towards the Bali Children trip in the October holidays. Mrs Olsen will be going, with some high school students and staff, to visit and work with the children we support in Bali. We are looking forward to her coming back and sharing her trip with us. The balance of the money raised, approximately $500, will go into our fund raising fund. If there is an area of the College you would like to see developed please pop your suggestion into our Suggestions Box in the Student Office or email your Class Rep.

Reports have been posted home so please spend some time with your child going through their report with them. We have altered the layout slightly and content in order to streamline our reports to the WA Assessment and Authority requirements. You will find a covering letter with the report but should you have any queries please do not hesitate to contact your child’s teacher or myself.

Five Ways to build each other up

1. Be wise in your speech. Communicate more effectively by thinking before you speak. Start with a praise. Point out on how both of you can make things better. Always be respectful.

2. Be encouraging. Encouragement is an expression and assurance of one’s hope and future in words, presence, and sincerity.

3. Be quick to forgive. When others make a mistake, be quick to forgive and forget; releasing them from guilt and shame that may take root in one’s heart when not dealt with over time.

4. Be understanding. Wisdom and understanding go hand in hand. Understanding starts by being an active listener asking intelligent questions to gain further insights, and being accepting of what the speaker is sharing.

5. Stay humble. Humility and maturity are synonymous. A dignified person accomplishes much, but brags little. They are secure in their standing without needing to make noise, often treating everyone with tremendous respect, regardless of position.

“Love is patient, love is kind. It does not envy, it does not boast, it is not proud. It is not rude, it is not self-seeking, it is not easily angered, it keeps no record of wrongs. Love does not delight in evil but rejoices with the truth. It always protects, always trusts, always hopes, always perseveres. Love never fails … And now these three remain: faith, hope and love. But the greatest of these is love.”

1 Corinthians 13:4-8

**Lost Property**

As you can see our lost property is bursting at the seams.

Please come check it out. We also have keys, glasses, phone cables, watches and lots more.

Everything will go in the bin at the end of term.

This beautiful photo of Sabrina Pikes was sent to us by Samantha Jane School of Ballet. Sabrina (6.1) took part in the Royal Academy of Dance’s, Festival of Dance at John Curtin College of the Arts. Sabrina won the 10-12 years Adjudicator’s Award at this event & got to dance in the Grand final night with other winning competitors.

Well done Sabrina
Cross Country

Last Friday 24th June, the Primary School Cross Country Team competed in their first race of the Interschool Cross Country Series at the NIPSSA Cross Country Carnival.

The 40 students from Year 3-6 competed against 10 other schools finishing the day in a credible 4th position!

The students continued the Cross Country spirit from our Faction Carnival singing chants throughout the day (I believe that we were probably the loudest school encouraging our athletes!!)

Each QBC student performed extremely well with special mention to the following who placed highly in their races:

Danielle Graham - 1st Year 3 Girls
Madison Scholes - 4th Year 3 Girls
Callum Asling - 2nd Year 3 Boys
Chloe Reeve - 3rd Year 4 Girls
Bailey Taig - 1st Year 5 Boys
Cullen Van Der Westhuysen - 5th Year 5 Boys
Savanna Asling - 3rd Year 5 Girls

The next carnival will be the Gumblossom Invitational next term for the Year 4-6 Team Members on the 29th July. Team training at school will recommence on Tuesday 19th July.

Dance Sport

There was a great turnout at the Dance Sport Social of students and parents. The soup and hot dogs went down a treat on a cold evening as the students strutted their stuff on the dance floor showing the parents what they have been learning during the term. Many thanks to Humphries Dance Studio for all the lessons and fun on the night and to the Parents who organised and assisted in the canteen.

</tr>
</tbody>
</table>

During the term, tokens were awarded to students for dancing skills, effort and a positive attitude to dance and on the night each faction joined in a Dance-off.

Congratulations to Taylor for winning the Dance Sport trophy for 2016.

Daniel Stolp
Deputy Principal - Primary
Primary Sports Coordinator
Reading Café

The second reading café of the term took place last Tuesday morning and the turnout was really good considering that it marked the middle of winter! Students enjoyed a very special Book *Mr Huff*, written and illustrated by award-winning author Anna Walker.

Mrs Rass did a great job explaining the story of the boy Bill, who is having a bad day and has a big black cloud – Mr Huff – following him around for the day. The story allowed a good discussion about how best to face feelings of fear, sadness and anger instead of running away from them.

Mr Huff is on the shortlist for the CBCA awards this year.

Science Hands-on day in the Library for Upper Primary students

Upper Primary students enjoyed the expertise of the High School Science Department led by Mrs Peters, who visited the library last Tuesday for some hands-on Science fun, exploring Chemistry and Physics.

Students were fascinated by insect-eating plants and skeletons of frogs and bats. Much excitement was created when observing changes of solids, liquids and gases with dry ice experiments and those crazy bouncy balls. Others set up electrical circuits, created prisms with light boxes, or had a go at seeing how simple machines work.

A big thank you to all who assisted Mrs Peters including Mrs van der Merwe and her crew of Student Teacher helpers.

*This book was purchased at the book fair and was left in the Library. Please see Mrs Van de Leur if it belongs to you.*
WINTER READING CHALLENGES FOR HOUSE READING TROPHY

Remember the Winter Reading challenges for the House Reading Trophy begin on Friday 1 July (first day of the school holidays)

For Kindy to Year 2 students the challenge is to read or be read to for 15 minutes every day of the winter holidays. Teachers will hand out reading logs which should be signed and returned in the first week of the new term.

The Olympic Reading Challenge – for Upper Primary Students only (1st – 21st August 2016)

For the Year 3 – 6 students this year it is a Marathon Competition, being linked to the Rio Olympics, and so will continue to the 21st August!

How this competition works:

Students, after selecting their goals of a Bronze, Silver or Gold will receive a reading log form from their teachers. They may take part in any or all of the 7 different Olympic Reading challenges which have been set during these 7 weeks. These include among others a marathon (reading for a set length of time in one sitting) and a relay (where you and a set number of friends must read the same book of a specific number of pages) etc. to gain points for your house.

Keep a record of what you read on the form.
Sign and have it signed by your parent.
Return it to your class teacher no later than Friday 26th August to earn points toward your house!

Taylor won last year’s competition. Make sure you do your best to gain as many points as possible. Enjoy the challenge, you know what you are capable of achieving!
"Having fun with our learning in Thrive"
Well done QBC Students and Parents

Certificate of Achievement

Awarded to

2016 Quinns Baptist College - $21,691.14

Incentive Prizes have arrived
Students will be enjoying their hard earned prizes these holiday. Well done to everyone for all the hard work and effort they put in to helping raise funds for the school.
How wonderful we come from many diverse backgrounds and have the ability to speak in many different languages – some of us speak French others Chinese and still others Indian – the list could go on!

However as we are an English speaking College could you please as a courtesy to those around you only speak English whilst on the College grounds.

Thank you for your consideration of others in this matter - it is very much appreciated.

School Lunches
When packing lunches for school, please be aware that we are endeavouring to be an allergy aware school. We have a number of students at risk of an anaphylactic reaction should they come into contact with nuts.

Please assist us in minimising this risk by not packing any nut products (peanut butter, Nutella or any food containing any nuts) in school lunches.

ARRIVING LATE OR LEAVING EARLY

Students are expected to be punctual when arriving at school. Parents are reminded to come to the Student Office to sign a Late Note or Early Discharge Slip before dropping off or collecting your child from school in the event of arriving late or leaving early for any reason.

If a student is late for class because of a uniform fitting, please still come to the office for a Late Note.

DUTY OF CARE

Our duty of care obligations require us to take reasonable care for the safety and wellbeing of your children while at school. It is therefore important to note that

- **class rooms only open at 8.15am**, at which point teachers will be on active duty. Consequently, **there will not be any teacher supervision until 8.15am**.
- Likewise, please ensure that your children are collected promptly from school at 2.45pm when classrooms are again closed for the day.
- All playground equipment is out-of-bounds before school. Students playing on the oval or playground equipment after school must be actively supervised by their parents and do so at their own risk.
- When visiting the school during school hours please report to reception or when dropping off items for your children, please leave these with the ladies in the office. We cannot stress enough how important **it is for your children's safety that we know who is on the school premises at all times**.
- Students may not leave the school grounds before, during or after school to go to the shops or McDonalds, etc. and then return to the school. This is regarded as serious breach of safety and infringements or send-outs will be issued!

Thank you for your cooperation in maintaining a safe school community.

STUDENTS ON MEDICATION

If you need us to administer any medication to your child while at school, please complete and sign a Medication Form, available from Student Services.

CONFIDENTIALITY

Just a reminder that all photos of children or any information that may identify a child or their family or the College, may not be used on any social media sites, or used for any purpose without the specific written consent of the parent / guardian and the College.
PARENTS

Please avoid washing any Teal/Petrol items (sports shorts, polos, pinafores/skirts, track tops and bottoms) in a hot wash as this will discolour the fabric.

All these and most of the uniforms should be washed in a cold wash. Please do not bleach your garment especially the logo. If any white garments need to be soaked NapiSan/Sard (although these do have a bleaching agent) are your preferred preferences (but not advised by the manufacturer) but try to avoid the logo being submerged and please always follow manufacturing care instructions!
