COMMUNITY NEWS 19 - 20

Dear Parents, Students and Staff

We welcome everyone back to the College for Semester 2 and we look forward to an exciting event-filled and rewarding second half of the school year. Welcome to the new students and families who have joined us this term and we extend a special welcome to our French and Japanese exchange students who will be with us for a few weeks.

Congratulations to the following:
• Academic Award winners
• Award recipients in Drama, Dance, Netball and Cross Country
• Students elected to represent the College as Councillors for this semester
• Students who participated or competed in various events during the holidays
• Aimee Coghlan on her selection for the Western Australian U/19 Football Team

With the various sporting and academic activities added to the major events: Artsfest, the College Fete and Open Day, Science Week, the Inter-house Athletics Carnival, Bali Week, Year 7 Orientation and the Year 12 Mock Examinations, Term 3 will certainly be busy! We encourage everyone in the Quinns Baptist community to get involved and support the students in their endeavours.

During the school holidays I had the privilege of joining the student leaders and staff members on their annual camp to Albany. The challenge of climbing Mt Cook, Bluff Knoll and the Diamond Tree as a group is always a remarkable experience. Each person contributed to the whole trip, each person took on each challenge in their own way and the support and encouragement for each other was a wonderful reflection of character traits we can be proud of. This week, while looking at the Fruits of the Spirit as described in Galatians, I was able to find evidence of these during the camp. It is my wish that we, as a community, would develop these fruits throughout the school in our daily lives.

Galatians 5 : 22-23
But the Spirit produces love, joy, peace, patience, kindness, goodness, faithfulness, humility, and self-control. There is no law against such things as these.

Tel Williams
Secondary Principal

We are looking for parent volunteers to help with the Fete Barbeque on 20/8. Please phone Kim on 93058808 if you are able to help for a couple of hours during the day.

https://www.facebook.com/quinnsbaptistcollege

Please share this link and like it to be kept up to date with current events taking place at the College.
Our Year 11 leaders had an amazing time and experiences on the leadership camp to Albany. Executing a rather dubious simulated rescue on Mt Cook, summing Bluff Knoll in the Stirling Ranges, creating a Albany Town Collage and climbing the Diamond Tree were all accomplished with enthusiasm and teamwork.

Some dining table challenges, story/poem creations and balloon tests were undertaken with a great deal of laughter.

The whole group was inspired by Mr Tranter’s wife who joined us and carried her one year old son to the top of Mt Cook and Bluff Knoll.

Thanks to Mrs Saunders, Mr Percival and Mr Tranter for giving up their time to organize and lead the camp.
A Warm Welcome to the

Japanese Exchange Students

And heartfelt thanks to the Host Families

Do not forget to show hospitality to strangers, for by so doing some people have shown hospitality to angels without knowing it. **Hebrews 13:2**
ARTSFEST 2016

ADVANCEDLIFE STUDIOS

We are Australia's leading Family Portrait Photographers. With over 30 years experience our Photographers are experts trained to provide the best family photo experience for you.
QBC

Student Accomplishments

In the **Big Science Competition** this year the following students did exceptionally well and we congratulate them on their achievement.

Ruan Buys Yr 8- High Distinction, Tyler Chin Yr 10- High Distinction, Kade Turner Yr 12- Distinction. We received 5 free entries into the Australian Olympiad (Yr 10 and 11 only) and the following students have been selected- Zander Coetzee, Tyler Chin and Kieran Reeve for Chemistry, Tyler Chin and Emily Dring for Physics.

*Good luck to these students for the upcoming event.*

When most Year 10s are dreaming of their driving licence one of our students has set his dreams a little higher.

After just 12 lessons Samuel Duggan has completed his first solo flight. Having tuition with flight instructor Billy Saville, through the Royal Aero Club of WA, Sam piloted a Cessna 152 from Jandakot airport at a height of 1000 feet completing the 3.5km circuit with a perfect landing. Before the flight Sam spent time in the aircraft with Senior Instructor Trent Donovan to confirm he was able to take the controls on his own. An amazing feat which Sam should be proud of accomplishing. Thanks to all those who supported him at the Royal Aero Club of WA and his extended family.
On the 15th of June the Year 11 and 12 Atar Economics and Accounting students attended a symposium at Notre Dame university in Fremantle. The excursion began with a train trip to Fremantle in the early hours of the morning. The day was divided into various topics relating to the Economics and Accounting syllabus and the students found it very informative and could relate to how their subjects are actually used in the real world.

The Year 10 Business studies and Accounting classes held a bake sale for a costing assessment. They had to produce a product, calculate the actual costs, decide on a markup percentage and work out whether they made a profit or a loss. The students enjoyed this task and did very well. The profits made will be donated to the school.
On 15 June 2016 our School Orienteering Team competed in the Inter-schools State Orienteering Championship, held at Lake Leschenaultia. Traditionally QBC has performed very well at this event and 2016 was no exception with a number of athletes performing very well.

QBC finished 2nd in the best school category competing against 22 other schools.

Juan Hendry van As and Jonathan Geldart finished 2nd in the 15A pairs.

Colby Smith and Reinhard Visser finished 2nd in the 15B pairs.

Royan Norman and Jenna Broomhall won the 15C pairs division.

Thanks to Mrs Oosthuizen for managing the team on the day.

Mr Andrew Bowness
Head of Health and Physical Education
Please contact Student Service on 9305 8808 by no later than 9.30am in the event of unexpected absences or sickness that necessitates your child being away from the College for the day or for any length of time.

A written note should accompany your child and be handed to his/her teacher on his/her return. A medical certificate is required to explain prolonged absences of more than two consecutive days.

We would like to thank parents for starting off 2016 so well with phoning absentees in to Student Services and following up with notes.

Attention drivers dropping students off for school in the mornings. Please do not let them step out of your vehicle in the middle of the road as this is extremely dangerous!

Well done to all those QBC students who have donated blood and are booked in to donate this year. Parents, staff and ex students are encouraged to sign up under QBC’s name when giving blood so it can increase our College Community Tally which stands at 36 Donations so far this year. 108 lives saved this year!

Quinns’ Youth Group

Every Friday of the school term Quinns Youth is run for High School students. This youth group provided by Quinns Baptist Church aims at providing a safe environment for students to gather out of school hours for games, social interaction and spiritual growth. Throughout the year Quinns Youth runs camps, sleepovers and other events with the goal of building healthy relationships between students whilst helping them grow in faith.

For more information about Quinns Youth or Quinns Baptist Church please contact the school or Ed Devine directly on: 0447 770 982

Quinns Youth starts at 7.30pm in the Primary School Auditorium every Friday during school term (unless otherwise advertised) and finishes at 9.30pm. The cost is a $2 donation for materials and some activities away from the school may involve extra costs. Quinns Youth is open to all High School students from Years 7 to 12.

YOU MUST be pre-registered in term one 2016 to attend. Limited places.

Sign up at: www.quinnsbaptist.org/kids

Jesus said, “I am the light of the world. Whoever follows me will never walk in darkness, but will have the light of life.” John 8:12
A THOUGHT: "Who do people say that I am?" said Jesus to his Disciples one day. "Some say John the Baptist, others say Elijah and still others a prophet of long ago brought back to life". Jesus replied, **But who do you say that I am?** Peter answered, "You are God's Messiah." It is easy to dismiss or overlook Jesus in our post-Christian world. But Jesus' promise remains the same for every searching heart. "I am the way, the truth and the life". John 14:6.

**GLOW:** Friday 6.00pm - 7.30pm. QBC Primary Auditorium. Children's Pastor: Janet Cassidy Mobile: 0497 851 463

**YOUTH:** Friday 7.30pm - 9.30pm. Sign-in at Primary School. Youth Pastor: Ed Devine Mobile: 0447 770 982

**SERMON SERIES:** We are currently studying the book of 1 Samuel and the way "God looks upon the heart".

Virtues Parenting Program

Lots of children these days have regular hassles with friendships, communicating and self-esteem.

The purpose of teaching The Virtues is to develop a culture of character where respect, patience, self-discipline, tolerance and joy for learning are among the virtues children master.

The Virtues Strategies can be easily integrated into how parents interact with their children in the home, when disciplining them and supporting socialisation. It is a positive, holistic program which has been used in many cultures and countries throughout the world to bring out the best in our children.

Being a parent is the most complex and important activity on the planet. Parents are the child’s first and most important educators, yet they receive little or no training in what to do or how to do it. Unfortunately, children don’t come with instruction manuals.

Teaching virtues to children is a way of bringing out the best in every child. Each day of living offers new opportunities to set the child on the right path. Virtues Parenting Program is an easy-to-learn program which has been used in many cultures and countries throughout the world to bring out the best in our children.

Meditations which pass quickly and may never come again. Children are born in and with potential; their natural qualities can develop into positive or negative traits depending on how they are educated in the early years. Character develops as children learn to make responsible, moral choices with self-esteem being a natural outcome.

Parents, learn how to be leaders and role models in your family. Children learn how to be society's role models, how to belong. This course is based on the work of George Doub and Florence Creighton, authors of Survival Skills for Healthy Families.

Parents will learn how to
• Three basic skills: speak, listen and cooperate
• Six steps to resolving conflict
• Six rules for successful family meetings
• Society’s role on abuse and neglect

Participates learn

• 123 Magic & Emotion Coaching
• Developing a Healthy Parenting Style
• Improving Family Communication and Closeness
• Steering Your Children Through Troublesome Stages
• Disciplining the Kids Without Losing It
• Balancing Life, Work and Family
• Working as a Team (Partner’s Evening)

Identifying and Implementing Change

Entertaining multi-media presentation.

Highly visual – good for new arrivals learning English.
Practical insights, strategies and problem-solving.

Relevant for Dads of babies through to high-schoolers.

Comprehensive practical manual included.

BUILDING STRONGER FAMILIES
- a course for the whole family

This six-week course is designed specifically for families with children over the age of 10. Inclusion is the key, and any adult involved in the parenting process is invited to come along and learn the skills needed to keep your family healthy.

Parents, learn how to be leaders and role models in your family. Children learn how to be special and also how to belong. This course is based on the work of George Doub and Florence Creighton, authors of Survival Skills for Healthy Families.

Participants learn

• Three basic skills: speak, listen and cooperate
• Six steps to resolving conflict
• Six rules, to solving problems
• Three patterns that healthy families use

Each family will learn

• Three ways to encourage one another
• How to build on the strengths in their family
• Six rules for successful family meetings
• Society’s role on abuse and neglect

• Why Dads Matter To Kids
• Developing a Healthy Parenting Style
• Improving Family Communication and Closeness
• Steering Your Children Through Troublesome Stages
• Disciplining the Kids Without Losing It
• Balancing Life, Work and Family
• Working as a Team (Partner’s Evening)
• Identifying and Implementing Change

Entertaining multi-media presentation.

Highly visual – good for new arrivals learning English.
Practical insights, strategies and problem-solving.

Relevant for Dads of babies through to high-schoolers.

Comprehensive practical manual included.

WHAT MEN HAVE SAID ABOUT PIT STOP –

"It was great to get together just with blokes. The guys up front are down to earth...i’m now on track to creating a better future for my kids."

"I didn’t like the idea of someone telling me how to parent, but I soon discovered Pit Stop is different...I look forward to it every week!"

"This has been a fabulous course. It has given me many simple insights I just hadn’t thought about before. I would strongly recommend it to every dad."
