Principal's Report

Last week we held two significant assemblies. One, as a whole school to celebrate our 20th anniversary and reflect on the transformation of the College from 1996 to 2016. The second was an Easter assembly where we were able to reflect on the transformation of the world as a result of Christ’s death and resurrection. In many ways the two events are intrinsically linked. The founders of the College stepped out in faith to begin a school where students in the community could receive not only an education but hear the word of God and the hope that is brought to humanity through the Easter message.

Congratulations to our swimmers: Megan Geldart, Bryn Norman, Esther Smoothy, Luke Smoothy, and the swimming coach Mr Bower on their remarkable achievement in the completion of the Port to Pub Swim last weekend.

We wish our netballers a successful tour to Mandurah this weekend and wish our French and Indonesian students a wonderful time on their respective tours to Mauritius/Reunion and Malaysia during the school holidays.

At the end of this term it will be sad to farewell a staff member who has played such an enormous part in the development of this College. With boundless energy Mrs Werner has served the College and the community. She has been an outstanding Year Coordinator, managed the Student Leadership group, organised and led Sportsfest, organised and led camps, taught all levels of mathematics, coordinated the Blood Donor Drive and assisted in virtually every sport, inter-house and cultural event. We will miss her and wish her all the best in her life ahead.

We thank Mr Benness for stepping in so admirably whilst Mr Sharp was on Long Service Leave and thank Mr Bright for stepping in to the Head of Department role. We wish Mrs Meyer all the best as she takes her well-deserved Long Service Leave next term.

1 Peter 3:6
Praise be to the God and Father of our Lord Jesus Christ! In his great mercy he has given us new birth into a living hope through the resurrection of Jesus Christ from the dead, and into an inheritance that can never perish, spoil or fade.

Notes from the Principal’s desk

**Secondary Sport Shorts**

Please be advised that Quinns Baptist Secondary College is in the process of transitioning to a new style of sport shorts that will have both a girls and boys fit. These will, however, only become available once the current stock has run out. It is important to note that during the transition period, both styles of sport shorts will be acceptable.

The Yr 12 Food Science class made low-fat Brownies and decorated them with sugar shards that they also made during a lesson on crystallisation.

The Wednesday Year 7 Foods class did a fabulous job making a beef and vegetable stir fry with rice.

YEAR 10 STUDENTS

Year 10 students/parents will receive, over the April holidays, a Year 11 2017 Information Booklet. Abigail Graham (Year 7) recently competed at the Australian Junior Championships. Abigail raced in the U/15 3000m race where she achieved 4th place overall with a new Personal Best time of 10:06.32. In the U/14 1500m race she earned herself 6th place overall with 18 contenders in the race. Well done, Abigail!

Congratulations to Charlie Rigby who is currently the U 17 State Champion for beach sprints, beach flags and beach relay team and State Champion for the men’s open beach relay team with the amazing achievement of winning silver in the men’s open beach sprints, making him the second fastest man on sand in WA.

We love hearing about students’ achievements. Please email secondarystudents@qbc.wa.edu.au if your child is representing the state or Australia in any event.
Four current QBC students, two ex-students and one teacher made history in the first Port to Pub Swim!

Last Saturday morning saw an ominous pre-dawn steel blue sky, accompanied by lightning and strong easterlies. Good swimming conditions, except that some of us nearly froze in the strong wind!

The Port to Pub Swim included Luke Smoothy, Bryn Norman, Megan Geldart and Ian Bower all completing a Duo crossing; Alana Dennis completing a 20km Solo Crossing; and Esther Smoothy, Sam Smoothy and Martin Smoothy completing the Elite 25km Solo Crossing.

Swimmers unexpectedly encountered a large cargo ship anchored in the shipping lane and were forced to negotiate their way around the back of it.

Special thanks to Mr Barry Percival who paddled for Alana and Mr Brock Tranter who paddled for Megan and Bryn. (As one can imagine, there was a lot of banter going on between the paddlers at the start line - before the serious business began.)

We are also very grateful to the families who volunteer as Skippers and Swim Crew and help out with the many other roles necessary to help our young champions achieve their goals.

The QBC swimmers collectively extend a massive THANK YOU to our Principal, Mr Williams who is so supportive and proud of each swimmer.

### Quinns Battery Recycling Program

Last year we launched the used Battery Recycling Program at Quinns. Please place batteries in the specially decorated bin (see photo) in the LIBRARY. No car or phone batteries please.

If you put used batteries in the general household rubbish bin, they go to landfill and can cause harm to the environment as they contain toxic substances. Alternatively, they may end up at a composting facility and cause contamination. Through our program, all metals and components of the batteries are recycled by Auszinc in New South Wales who use the batteries to make street lights, new batteries and steel frames for houses.

Library is open before and after school so bring them in! Let's see how many kilograms of batteries we can collect this year. Thanks to Mindarie Regional Council for setting this program up and for collecting the batteries.

Please feed me a battery (single use or rechargeable)  
AA, AAA, Button, C, D, 6V or 9V
SUMMER MOVIES

The combined effort of school and church with our summer movies this year, was the best yet! The crowds were larger, the people more generous and the running, smoother (mostly). We want to say a huge thanks to all who helped out and made these nights a great fun family time.

Apart from the hope of bringing the community together, the nights aim to raise fund for the Widhya Asih Bali Foundation which has 6 orphanages throughout Bali. This year we raised a huge $2,700 over the three nights. So again, thanks for all who turned out and made these events so great. See you next summer!!

Parents of 2 - 12 year olds

behaviour tonics presents

1-2-3 Magic™ and Emotion Coaching
To help manage difficult behaviour in children 2 to 12 years old

A humorous look at parenting, a serious look at discipline!

Behaviour Tonics Rooms, Level 1, 252 Cambridge St, Wembley
Presented over 3 Wednesday evenings of 16th, 23rd, 30th March 2016
7pm - 9.30pm Cost $180 per person or $340 per couple

You will learn:
• The two approaches to parenting.
• How to discipline without arguing, yelling or smacking
• How to handle kids testing behaviour.
• How to show empathy while developing emotional intelligence in your child.
• How to teach and encourage positive behaviour, social skills and independance.
• How to strengthen the relationship with your child.
• How to manage obnoxious behaviour.

For more information about this workshop call (08) 9382 1182
(Register Online) at www.behaviourtonics.com.au

What people are saying...
• An end to the yelling and arguing!
• It saved our lives
• Simple, sane, effective
• What a relief to come across a program that preserves the dignity of the child, maintains the self control of both the parent and the child and is actually easy to remember at those times when memory is the first thing to go
• I realised quickly that 1-2-3 Magic can be a magnificent preventative measure that any parent can use to avoid raising a child, who later on down the line needs excessive discipline or grows out of control.
