Principal's Report

The examination period at this time of year creates a different feel around the College as each person approaches and deals with the stresses of preparation and the expected outcomes in their own way. Although a great deal of effort is put into the preparations for these exams our aim is to prepare students not only for academic achievement but for other tests in life that will evaluate their character in terms of integrity, honesty, compassion and perseverance.

Billy Graham once said, “When wealth is lost, nothing is lost; when health is lost, something is lost; when character is lost, all is lost.”

Based on the wonderful success of the Japanese exchange students who joined us for two weeks last year we are delighted to announce we will again host 15 students and one staff member in Term 3. I encourage families to take the opportunity to host a student and make a lifelong connection with a Japanese student and their family. Please contact the College should you wish to be a part of this enriching and wonderful experience.

Hebrews 13:16
Do not neglect to do good and to share what you have, for such sacrifices are pleasing to God.

STAFF NEWS

We are proud to congratulate Mrs Christine Tolefe on receiving the prestigious Marie-Louise Laurant Award from TOFA. This award recognises Christine’s tremendous contribution to French teaching, excellence in the teaching of French and the support of fellow teachers.

The Award

The Marie-Louise Laurent Award has been designed therefore to reflect the values we saw in Marie-Louise. This award will recognise and congratulate local contributions of excellence in the teaching of French and the support of fellow teachers. It is also designed to increase the status of the French teaching profession.

THURSDAYS
8:00am – 12:00pm  (All students & parents) (For uniform fittings please come in AFTER 8.30am)
12:00pm – 12:30pm  (High School students ONLY) CLOSES AT 12:30PM

PARENTS

- Please avoid washing any Teal/Petrol items (sports shorts, polos, pinafores/skirts, track tops and bottoms) in a hot wash as this will discolour the fabric.
- All these and most of the uniforms should be washed in a cold wash. Please do not bleach your garment especially the logo. If any white garments need to be soaked NapiSan/Sard (although these do have a bleaching agent) are your preferred preferences (but not advised by the manufacturer) but try to avoid the logo being submerged and please always follow manufacturing care instructions!
Japanese Students Cultural Exchange 2016

In 2015 we successfully hosted students from a school in Tokyo. It was the first time we had done this and it turned out to be an enormous success for the Japanese students, QBC students and host families alike.

We will be hosting students from the International Christian University High School between Sunday 24 July and Thursday 11 August. There are 15 students aged 15 to 16 years of age and 1 staff member.

This year, we are looking for host families for these students and their member of staff. I can guarantee that it will be an enriching experience for all involved, having hosted a student myself last year. Host families are paid a sum to help out with expenses during the stay.

If you are interested in being a host or would like more information please could you make contact with me via the front office or email me at dlake@qbc.wa.edu.au

Amateur taxonomists take a break from the physical and mental stress of collecting and classifying leaves.

Several Year 7 students recently went out on a limb for their favourite subject. Taking a leaf out of Carl Linnaeus's book, they ventured where few QBC students have gone, the nether reaches of Lighthouse Park. For the sake of science they decided to turn over a new leaf and be bold. Would that you had seen them! They soon, however, began to twig on to the complexity of taxonomy, the root cause of their visit. On their return they sheared their experience with me.

"I like it when we branch out like this," one student said

"You're barking up the wrong tree," said another.

"Leave me alone will yew!" I said.

"Oak hay," he replied.

"Oh stop it," I said.

Water Treatment Experiment
On Friday the 20 May, 24 students from QBC competed in the School Sports WA Cross Country championships held at McGillivray Oval. It was a perfect day for running and as a group everyone performed really well. Huge congratulations to Abigail Graham who won the overall Girls, 13 years aggregate. Special mention also to Brent Quick who ranked in the top 15 for Boys, 17 years and Keiran Moores who ranked in the top 10 for boys, 14 years.

ACC Cross Country Carnival was held on Thursday 2 June at Alderbury Reserve where we had 65 competitors representing our College. There was great excitement amongst all students as they were lining up with approximately 500 students per race. As a whole it was a great effort from the entire team as majority of our athletes finished in the top 50 percent of their age groups. It was another great performance by Abigail Graham who once again won her age group in U/13 girls. Special mention to Jack Wintergreene who came 15th in U/13 boys and also to Colby Smith who also ran a great race. WE are very proud of the whole team who gave their best shot and showed great team spirit in supporting one another throughout the day.

Well done Mr Joubert and the Cross Country Team on a great season.

QBC Notices & Reminders

Please contact Student Service on 9305 8808 by no later than 9.30am in the event of unexpected absences or sickness that necessitates your child being away from the College for the day or for any length of time.

A written note should accompany your child and be handed to his/her teacher on his/her return. A medical certificate is required to explain prolonged absences of more than two consecutive days.

We would like to thank parents for starting off 2016 so well with phoning absentees in to Student Services and following up with notes.

There has been a case of Head Lice reported in the College. Please check your child’s hair and follow the treatment plan if they have nits. Students are to be aware of the risks involved of Head Lice spreading when sharing each other’s hats.

Well done to all those QBC students who have been giving blood and are booked in to donate this year. Parents, staff and ex students are encouraged to sign up under QBC’s name when giving blood so it can increase our College Community Tally.

Jesus said, “I am the light of the world. Whoever follows me will never walk in darkness, but will have the light of life.” John 8:12
A THOUGHT: "Who do people say that I am?" said Jesus to his Disciples one day. "Some say John the Baptist, others say Elijah and still others a prophet of long ago brought back to life". Jesus replied, "But who do you say that I am?" Peter answered, "You are God's Messiah." It is easy to dismiss or overlook Jesus in our post-Christian world. But Jesus' promise remains the same for every searching heart. "I am the way, the truth and the life". John 14:6.
