Principal's Report

By now the students have completed their Semester One exams and their reports will be posted home shortly. Parents are encouraged to discuss the report with their children and contact staff or attend teacher/parent interviews if you have any concerns.

Over the years I have seen student involvement in co-curricular events continue to grow, and I am greatly encouraged to see our students display tremendous commitment, sportsmanship, loyalty and courage when representing the College. In this regard, I wish to congratulate all those students who have received awards in Netball, Drama, Dance and Cross Country. I also extend my heartfelt thanks to all the staff who give up their time to organise, coach and supervise the numerous co-curricular activities.

We can learn so much from our involvement in sports and activities and, at times, the stresses can bring out not only the best, but also the worst in human nature. Earlier this year I addressed students about the poor behaviour of some spectators and drew their attention to the appropriate way to respond and behave. In all circumstances, be it on the sports field or the classroom, we can reflect that which is noble and honourable through the way in which we conduct ourselves.

_Titus 2 verses 7 to 8_
Show yourself in all respects to be a model for good works, and in your teaching show integrity, dignity, and sound speech that cannot be condemned, so that an opponent may be put to shame, having nothing evil to say about us.

PARENTS
Please avoid washing any Teal/Petrol items (sports shorts, polos, pinafores/skirts, track tops and bottoms) in a hot wash as this will discolour the fabric. All these and most of the uniforms should be washed in a cold wash. Please do not bleach your garment especially the logo. If any white garments need to be soaked NapiSan/Sard (although these do have a bleaching agent) are your preferred preferences (but not advised by the manufacturer) but try to avoid the logo being submerged and please always follow manufacturing care instructions!
In 2015 we successfully hosted students from a school in Tokyo. It was the first time we had done this and it turned out to be an enormous success for the Japanese students, QBC students and host families alike.

We will be hosting students from the International Christian University High School between Sunday 24 July and Thursday 11 August. There are 15 students aged 15 to 16 years of age and 1 staff member.

This year, we are looking for host families for these students and their member of staff. I can guarantee that it will be an enriching experience for all involved, having hosted a student myself last year. Host families are paid a sum to help out with expenses during the stay.

If you are interested in being a host or would like more information please could you make contact with me via the front office or email me at dlake@qbc.wa.edu.au

**First Open Netball Team:**

The Yr 11/12 team started their season off with a netball tour to Mandurah. The girls played against Pinjarra High School and also enjoyed an awesome dolphin cruise on the Mandurah River.

The Open team played in the WA School Sport Competition and versed four teams this season. They lost three games and won one game and also claimed the last game against Mercy College as they forfeited the game against us. This gave Quinns a total of two wins and three losses.

The girls showed great sportsmanship, team spirit and commitment throughout the season. I am very proud of their efforts!

Marcha Oosthuizen, Nicole Le Roux, Jessica Wasley and Nadine Blignaut will participate in the ACC School netball trials in August. We wish them the best of luck.

*Mrs Oosthuizen*

**Lower Division Netball Team 2016**

Our Yr 7/8 team had a challenging season and although we didn’t win many games, our Netball skills got better as the season progressed. We changed positions in some of the games and this encouraged us to develop new skills that benefitted the team.

It was great to start the season with the Netball tour to Mandurah as this built up a lot of team spirit between all the teams and we got to integrate with the senior teams too.

We would like to thanks Mrs Oosthuizen for all the organising and Ms Ryke for assisting with the coaching this season. We look forward to next year.

*Mrs Van Der Merwe & Mrs Kruger*

**Middle Division Netball Team:**

Our Yr. 9/10 netball team played six matches during the season. Unfortunately they didn’t win any games but they gained a lot of experience and learned to play as a team, which will no doubt help them prepare for future games.

I would like to thank the girls for their outstanding commitment and good conduct during all the games.

*Mrs Schulz*
QBC Notices & Reminders

Please contact Student Service on 9305 8808 by no later than 9.30am in the event of unexpected absences or sickness that necessitates your child being away from the College for the day or for any length of time.

A written note should accompany your child and be handed to his/her teacher on his/her return. A medical certificate is required to explain prolonged absences of more than two consecutive days.

We would like to thank parents for phoning in absentees to Student Service and following up with notes.

There has been a case of Head Lice reported in the College. Please check your child’s hair and follow the treatment plan if they have nits. Students are to be aware of the risks involved of Head Lice spreading when sharing each other’s hats.

Well done to all those QBC students who have been giving blood and are booked in to donate this year. Parents, staff and ex students are encouraged to sign up under QBC’s name when giving blood so it can increase our College Community Tally.

After several weeks of planning and preparation the Year 12 Outdoor Recreation Certificate II students embarked on an ocean kayaking expedition from Two Rocks to Moore River. The students were able to put into practice the theoretical knowledge and training that they have covered over the last term on this exciting adventure. The expedition was a challenging but very rewarding experience where each individual had their comfort levels tested by the environmental conditions or the physical requirements. Three days later and close to 30km of kayaking completed, everyone was looking forward to returning home with many fun stories to share.

Jesus said, “I am the light of the world. Whoever follows me will never walk in darkness, but will have the light of life.” John 8:12
A THOUGHT: "Who do people say that I am?" said Jesus to his Disciples one day. "Some say John the Baptist, others say Elijah and still others a prophet of long ago brought back to life". Jesus replied, "But who do you say that I am?" Peter answered, "You are God's Messiah." It is easy to dismiss or overlook Jesus in our post-Christian world. But Jesus' promise remains the same for every searching heart. "I am the way, the truth and the life". John 14:6.
